Re:

Despite attempts by our office to resolve this matter with you, this matter remains unresolved. A Judgment has been rendered against you in the above-referenced Court and a balance is now due and owing as stated above. Our client may now institute proceedings to attach your non-exempt wages and/or your non-exempt property, unless reasonable arrangements to liquidate this debt are made. Accordingly, it is imperative that you contact this office immediately to make arrangements to pay this Judgment.

Enclosed please find a *Notice to Take Deposition in Aid of Execution*, for the taking of your deposition on **October 05, 2011, @ 10: 00 a. m.** at our office. If the location, date and/or time of the deposition is inconvenient for you, please contact my office at either **(888) 896-1188** or **(614) 339-8157** to arrange a mutually convenient location, date and/or time. Additionally, if you would like to conduct the deposition over the telephone rather than appearing at our office, please contact our office at the above-numbers to schedule a time.

Thank you for your anticipated cooperation with this matter. Please contact my office at either **(888) 896-1188** or **(614) 339-8157** if you would like to resolve this matter.

THIS COMMUNICATION IS FROM A DEBT COLLECTOR.

Very truly yours,
